Howard County, Maryland
Email: aiden.igwebe@howardcc.edu
LinkedIn: https://www.linkedin.com/in/aiden-igwebe-83757243b/

PROFESSIONAL SUMMARY

Motivated Communications Studies student-athlete at Howard Community College, expected to graduate in May 2027, with experience in youth sports coaching, community service, and collegiate basketball. Passionate about building meaningful relationships, fostering inclusive communities, and using communication to make a positive impact. Brings strong teamwork, leadership, adaptability, perseverance, and problem-solving skills developed through athletics, coaching, and volunteer work. Eager to learn, contribute, and grow through internships and entry-level opportunities in communications, sports communication, public relations, and community engagement.

EDUCATION

Howard Community College
Communications Studies: Expected Graduation: May 2027

- Developing communication, interpersonal, and relationship-building skills through academic study.
- Learning to adapt communication styles to different people, situations, and needs.
- Applying teamwork, accountability, and collaboration skills through participation in athletics.

PROFESSIONAL EXPERIENCE

Youth Sports Coach
Howard County Recreation and Parks | Howard County, Maryland
2024–Present

- Coach youth sports, helping young athletes develop sport-specific skills, teamwork, and confidence.
- Create a positive and inclusive environment where children of different skill levels feel encouraged
- Adapt coaching and communication styles to accommodate individual personalities, and abilities.
- Promote sportsmanship and accountability while helping athletes work toward shared goals.
- Encourage young athletes to build confidence, develop positive relationships, and enjoy sports.
- Develop leadership, problem-solving, and interpersonal communication skills through interactions with athletes and their families.

VOLUNTEER EXPERIENCE

Community Food Pantry Volunteer
Columbia Community Care | Dates to be confirmed

- Delivered food and essential supplies to families experiencing transportation challenges.
- Helped organize food donations and coordinate pickups to support families accessing community resources.
- Assisted with community food distribution efforts to help ensure families received needed supplies.
- Demonstrated teamwork, organization, and a commitment to serving individuals and families with different needs.

ATHLETICS EXPERIENCE - Collegiate Basketball Player
Frederick Community College | 2024–2025 season

- Played collegiate basketball as a small forward, developing teamwork, discipline, accountability, and collaboration in a competitive team environment.
- Worked with teammates toward shared goals while balancing athletic and academic responsibilities.

Howard Community College
